

POST CARD

CORRESPONDENCE

West of St. Louis

ADDRESS

Rt 66-401

A black and white photograph showing a massive, light-colored rock bluff with distinct horizontal geological strata. A dark, arched cave entrance is visible in the lower-left portion of the bluff. The top of the bluff is covered with dense, dark vegetation. In the foreground, a paved road runs horizontally across the frame. To the right of the road, there are utility poles with cross-arms. The sky is bright and overexposed.
